The DHM commented that the system had been changed two years ago so this was the second year of operation. The friendship element had been taken out it had been getting far too complex, intense and unworkable. Other than Sibling and OB connections or severe pastoral reasons and avoiding a concentration of scholars/team players/musicians etc it was done at random. This year 5 parents had e mailed; he had replied;

This led on from the previous item. The APH would look into it. The DHM noted that at many such events obviously normal school kit had to be worn to avoid a proliferation of various items of kit.

The Chairman read out:

Does anyone ever feedback to the groundsman/gardeners how fantastic the School grounds look? The garden around School House and the new rose garden at Prep are lovely. There are a lot of keen gardeners as parents and it was a pleasure walking around getting ideas and admiring the work .

The DHM commented that we did but it was very gratifying to receive this. He would mention in the next Newsletter.

The Chairman also expressed thanks of various parents for the Book and recent Presentation. The DHM was grateful for PA sponsorship.
